SUMMARY

Front end web developer with extensive customer service experience educated at UT Austin. Strengths in meeting deadlines, creative problem solving, and communication. Positioned to provide unique perspectives on how clients interact with websites and software platforms by leveraging background in customer service and technical support.

TECHNICAL SKILLS

Languages & Applications: React, JavaScript, HTML5, CSS3, JSX, Git/Github, Web/Rest APIs, Node.js, jQuery, MySQL, Express, Bootstrap, Sequelize, MongoDB, Mongoose, Bulma, VS Code, Heroku

PROJECTS

inBloom | github.com/ashlinhanson/inBloom | in-bloom.herokuapp.com/

- **Summary:** inBloom makes plant care streamlined and simple; users are able to keep track of their plants in one place and easily access information about their care specifications.
- **Role:** Wrote all third party API code, Sequelize Models, and assisted with frontend tasks.
- **Technologies Used:** React, MySQL, Sequelize, Node.js, Express, Bootstrap, Git, Heroku

Parks_n_Req |github.com/LiliCecilia23/Parks_n_Req | salty-hamlet-73070.herokuapp.com

- **Summary:** Parks_n_Req provides information about Texas NPS parks and campgrounds and allows the user to make a reservation at their selected site.
- **Role:** Responsible for database modeling and Sequelize interaction, also assisted with front-end design and javaScript.
- **Technologies Used:** HTML5, CSS3, JavaScript, JQuery, Bootstrap, MySQL, Sequelize, Express.js, Node.js, ScrollTrigger, Git, Heroku

WatchIt | github.com/LiliCecilia23/WatchIt | smrodriguez88.github.io/watchit/

- **Summary:** WatchIt is an app that filters a search for movies & TV shows by the streaming services the user subscribes to and provides direct streaming links to those services.
- **Role:** Responsible for the complete frontend of the search page, also assisted with backend development for the search page.
- **Technologies Used:** HTML5, CSS3, JavaScript, JQuery, Bulma, Git

EXPERIENCE

Enumerator   Mar. 2020 – Sept. 2020
US Census Bureau   San Marcos, TX
Trained in official census processes for data collection and respondent interviewing procedures. Learned how to be adaptable in virtually any interview situation in order to obtain accurate data.

Customer Experience Associate   Feb. 2019 – Sept. 2019
Blue Apron   Austin, TX
Responded to customer questions over phone, email, and chat channels. Applied critical thinking and problem solving skills to address each concern as efficiently as possible.
Key Accomplishments: Exceeded expectations for the department's productivity and quality metrics.

EDUCATION

Fullstack Bootcamp Certificate: University of Texas at Austin   Jan. 2020
A 24-week intensive boot camp program focused on gaining technical programming and market-driven skills.

Bachelor of Arts: University of Texas at Austin   May 2018
